Copia Verba per Sir Kellett Dep.

On which said Assente eight day of May in the year of our Lord One thousand six hundred Eighty One aforesaid the said John Obington by his Attorney aforesaid and according to a certain Act of Assembly in that behalf made and provided intituled an Act for appealing & regulating writts of Error: offered to the Court the following Cause & Reason of the said John Obington appearing from the Judgment of the said Court of Calvert County for that the Record and proceedings aforesaid are manifestly Erroneous as followeth viz.

First

The Declaracion is Erroneous in this that the Action (as by the Preamble thereof appears) is brought against John Obington, and the Assumpsit as well matter of fact in the said Declaracion sett forth is against Thomas Obington, which should have been laid against John Obington if the fact was by him legally Impowered to deal to the use, and the Contract made in his name and to his use.

Secondly

The Declaracion charges not John Obington either in Debt or in Assumpsit without Oath of witness the Declaracion is not sufficient to maintain the Action against him.

Thirdly

The Declaracion is Erroneous in this that the said Thomas Obington the Servant is not therein assigned, to mention his Master or Employers name in the Contract and Bargain made for the Purchase without which it doth not charge the said John, but by the Law is implied to be some other person.

Fourthly

In the said Declaracion it is not sett forth that the Purchase was made to the use of the said John Obington without which the said John Obington by the Law is not chargeable therewith nor ought the Action to have been brought against him.

All which is materiall Error: to reverse the Judgment aforesaid and therefore the said John prayeth to be dismissed from the Judgment of the County Court aforesaid, & that to all that he shall be by left he may be restored.
